The material discussed during this 1-day course will be geared toward customizing obesity treatment for improved wellbeing. We will have both national and local presenters speak about these vital topics that affect patient outcomes. There will also be time allotted for participants to have their questions answered during the panel discussions.

**Keynote Speaker**

Paul B. Batalden, MD  
Emeritus Professor, The Dartmouth Institute for Health Policy and Clinical Practice, Geisel School of Medicine  
*Coproduction*

**National Speaker**

Angela Fitch, MD, FACP, FOMA  
Emeritus Professor, The Dartmouth Institute for Health Policy and Clinical Practice, Geisel School of Medicine  
*Obesity Overview*
