This annual tradition brings together Health Sciences educators from diverse fields to focus on innovation and collaboration. The two-day conference will focus on a wide variety of emerging ideas in health professions, with special attention on how to successfully implement active learning strategies in existing programs.

Pre-Conference Workshop | Wednesday, April 29, 2020 | Active Learning 101

Keynote Presenter:
Cat Harras, MLIS
Senior Director,
Center for Effective Teaching and Learning, California State University, Los Angeles
