April 10, 2020
Earle Brown Heritage Center
Minneapolis, MN

This 32nd annual, full-day, interactive conference provides a focused update on cardiac arrhythmia care for your patients.

Come update your knowledge through presentations by experts in Cardiology and Cardiac Electrophysiology, panel-led question-and-answer sessions and lively case discussions using interactive technology.

Intended Learners
This conference is ideal for internal medicine, family medicine, and intensive care physicians, pediatricians, physician assistants, advanced practice nurses, nurses, and other health care professionals interested in improving cardiac arrhythmia care for their patients.
