ECMO SYMPOSIUM:
ADVANCED MANAGEMENT OF THE FAILING LUNG OR HEART

AGENDA

THURSDAY, OCTOBER 3, 2019
Interprofessional Education and Resource Center & AHC Simulation Center

7:30  -  8:00  REGISTRATION

8:00  -  8:20  ELCS Overview, Different Modes of Support
8:20  -  9:00  Circuit Components and Function
9:00  -  9:45  All About VV ECLS – Indications/Contraindications for VV ECLS, Physiology of VV ECMO, Assessment of VV Support, Weaning VV ECMO

9:45  -  10:00  BREAK

10:00  -  10:30  Cannulation Strategies for VV ECLS
10:30  -  11:30  All About VA ECLS – Indications/Contraindications for VA ECLS, Physiology of VA ECMO, Assessment of VA Support, Weaning VA ECMO
11:30  -  12:00  Cannulation Strategies for VA ECLS

12:00  -  1:00  LUNCH

1:00  -  2:30  Rotating Stations
VV Management Simulation
VA Management Simulation
Troubleshooting
Circuit Emergency Management

2:30  -  2:45  BREAK

2:45  -  4:15  Continue Rotating Stations

4:15  -  5:00  Q&A and Wrap Up

Agenda Subject to Change
