New for 2019!

Provided by the University of Minnesota Department of Dermatology

Nail Disease Symposium

Friday, May 17, 2019
DoubleTree Minneapolis - University Area, 511 Huron Blvd SE, Minneapolis, MN 55414

Keynote Speaker
Antonella Tosti, MD
Fredric Brandt Endowed Professor of Dermatology and Cutaneous Surgery, University of Miami
“Dermoscopy and Nail Disease”
“Nails and Nail Tumors”

Dr. Antonella Tosti is a worldwide recognized expert in hair and nail disorders and contact dermatitis. She is an editor of four textbooks on diagnosis and treatment of hair disorders and three textbooks on nail disorders. She is the author of Dermoscopy of Hair and Nails, the first hair and nail atlas on dermoscopy ever published.

This course will cover a wide range of topics, from the basics of nail care to the presentation of complex nail diseases and pathology. It will include a review of the fundamentals of dermoscopy of the nail unit, and faculty will provide procedural/dermatologic surgery-based education on nail procedures along with updates in research on laser medicine.
