Pediatric Dermatology
Progress and Practices

Friday, April 12, 2019

Wilf Family Center
University of Minnesota Masonic Children’s Hospital
Minneapolis, MN

Focused on pediatric dermatology, this conference will help you meet the special skin needs of your smallest patients.

Audience
This activity is ideal for practicing pediatricians, dermatologists, family practitioners and allied healthcare providers interested in pediatric dermatology and for those who diagnose, manage and treat children with common and complex dermatologic diseases.

View the conference agenda and accreditation information on the back of this flyer

“Great lectures and important information shared.”
- 2017 Attendee, MD/DO

“Good information. Helpful to anyone who manages kids and kids’ health.”
- 2017 Attendee, APRN

Keynote Speaker: Dr. Peter A. Lio

Presenting “Alternative Therapies” and “Update on Atopic Dermatitis”

Peter A. Lio, MD is a Clinical Assistant Professor of Dermatology & Pediatrics at Northwestern University Feinberg School of Medicine, a Fellow of the American Academy of Dermatology, and a Diplomate of the American Board of Dermatology. Dr. Lio is the founding director of the Chicago Integrative Eczema Center. His special interests include pediatric dermatology, eczema, acne, dermatomyositis, and other inflammatory diseases of the skin, and he works to integrate alternative and complementary medicines in dermatology.
