This **two-day course** is designed to provide enhanced knowledge and skills in the area of dermatology for family physicians, primary care providers, nurse practitioners, and physician assistants. Primary care providers benefit from information on the diagnosis and management of **common skin disorders**, exposure to the features of serious skin diseases, and an appreciation of a larger scope of clinical presentations of skin cancer. Presentations focusing on the most common skin disorders seen in primary care will give providers valuable information on diagnosis and treatment of many dermatologic conditions. Registrants will have the opportunity to engage in conversation with the presenting experts and have an opportunity to participate in **two hands-on skills workshops**.

**Educational Objectives**

*Following completion of this activity, learners should be better able to:*

- Perform common types of skin biopsies and excisions on a pigs’ foot.
- Diagnose the common and uncommon presentations of skin cancer.
- Create a differential diagnosis for common and less common skin rashes.

**Early Rate: Through July 26, 2019**

- Physician: $440
- Other Healthcare Professional: $410
- Medical Industry Professional: $445
- Resident/Fellow: $150

*U of M/M Health:*
- Adjunct Faculty: $350
- Other Healthcare Professionals: $245
- Full-Time Faculty: $260

*Beginner Level Pigs’ Feet Skill Workshop: $75*

**Audience**

This conference is ideal for family physicians, primary care providers, nurse practitioners, and physician assistants in family medicine, internal medicine, pediatrics, and emergency medicine who treat patients with common dermatologic diseases.

**Accreditation**

This activity has been approved for **AMA PRA Category 1 Credit™** and ANCC Contact Hours. See reverse for details.
Accreditation Statement

In support of improving patient care, University of Minnesota, Interprofessional Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statements

American Medical Association (AMA)
The University of Minnesota, Interprofessional Continuing Education designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Nurses Credentialing Center (ANCC)
This activity is awarded up to 13.75 ANCC contact hours.

American Academy of Family Physicians (AAFP)
This Live activity, Practical Dermatology: Basic and Advanced Topics for Primary Care, with a beginning date of 10/18/2019, has been reviewed and is acceptable for up to 14.00 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine Maintenance of Certification Part II
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 13.75 and Medical Knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Other Healthcare Professionals
Other healthcare professionals who participate in this CE activity may submit their statement of participation to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.
