Accreditation
In support of improving patient care, University of Minnesota, Interprofessional Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

American Medical Association (AMA)
The University of Minnesota, Interprofessional Continuing Education designates this live activity for a maximum of 9.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians (AAFP)
Application for CME credit has been filed with the American Academy of Family Physicians. Determination of Credits is pending.

Athletic Trainers
University of Minnesota - CME (BOC AP# P651) is approved by the Board of Certification, Inc. to provide continuing education to Athletic Trainers. This program is eligible for a maximum of 9.25 EBP Category hours/CEUs. ATs should only claim those hours actually spent in the educational program.

Physical Therapists
This course qualifies for Category 1 credits under Minnesota rule MN Rule 5601.2400, Subpart 1, A.

Other Healthcare Professionals
Other healthcare professionals who participate in this CE activity may submit their statement of participation to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.

EDUCATIONAL OBJECTIVES
Following completion of this activity, learners should be better able to:
• Identify current treatment recommendations to provide optimal care for patients with hip pathology.
• Recognize the evolving trends in primary care of young athletes particularly – in dermatology, female athlete and dentistry.
• Identify urgent treatment guidelines including diagnosis, initial management and return to sports following multiligament knee injuries.
